EXPERIENCE

Full Stack Web Developer / SEO at Play Horse Farm

Milan (Italy), Mar 2014 – May 2015 – www.playhorsefarm.com

- Developed a customized Full Stack mobile-friendly Web Application using Sinatra/AWS/PG stack and JS/JQuery.
- Responsible for the management of the advertising campaigns, social media marketing and SEO.
- 20+ pages with Social API integration, custom admin panel, multiple language support, DB and load optimization.

Web Development Graduate / Mentor at Dev Bootcamp

San Francisco, CA (USA), Aug 2014 – Jan 2015

- 1000+ hours of immersive Full Stack Web Development
- Developed 5+ Agile projects using Ruby on Rails and JS.
- Selected for the mentorship program: proactively assisted two new incoming students

Junior Analyst – Mergers & Acquisitions at Ernst & Young

Milan (Italy), Apr 2014 – Jul 2014

- Performed financial analyses, KPI modeling and due diligence on 20+ potential deals and engagements
- Improved an automated reclassification model used on 50+ teasers, reducing phase-1 deliverables completion time by 25%
- Collaborated with Managers and Directors on market analyses and insights of the ICT, Luxury and Life Sciences industries

Research Assistant – Private Equity & Venture Capital at SDA Bocconi

Milan (Italy), Sep 2013 – Feb 2014

- In charge for risk / profitability analysis on 70,000+ Private Equity & Venture Capital worldwide deals (range \$1M - \$25B).
- Developer of an automated database compilation model, reducing the compilation time by 90% and helping to finish the project 5 months earlier than expected.

Trade Office Intern at Italy-America Chamber of Commerce

Miami, FL (USA), Apr 2013 – Jul 2013

- Performed a brokerage of low-interest grants, U.S. visas requirements and competitive analyses for 50+ SMB managers.
- Responsible for the "US seaports capital improvements" market research, which helped to raise \$30,000 from Assocamerestero and to keep contacts with C-level professionals.
